Useful and entertaining Knowledge. To be illustrated with numerous Engravings. By the Boston Bewick Company.

HE success which has attended the publication of the best Magazines for the English Press, has led to preparation for suing a periodical more particularly adapted to the wants and tastes of the American public. While it will be the object of the arc-While it will be the object of the proprietors to make the work strictly what its ti-tle indicates, it will, nevertheless, contain all articles of interest to its patrons which appear in foreign Magazines.

Extensive preparations have been entered into, both with artists and authors, to furnish from all parts of the Union, drawings and illustrations of every subject of interest, which the publishers confidently believe will enable them to issue a work honourable to its title, and acceptable to the American People.

The first number of the American Magazine, illustrated with upwards of twenty splendid engravings, will appear on or before the first of September, and he continued monthly, containing between forty and price of two dollars per annum. It will THE BEV. RICH'D. CATTERMOLE, B. D. imperial octavo pages, and be furnished at the

Portraits and Biographical Sketches of distinguished Americans; Views of Public Buildings, Monuments and Improvements; Land and Philosophers have shared with her Dispersings and descriptions of the character, habits &c. of Beasts, Birds, Fishes and Insects, together with every sunject connected with the Geography. History, Natural and Artificial resources of the country, illustrated in a familiar and popular manner.

FREEMAN HUNT, Agent

Boston, July 17.

The following plan is respectfully submit-

1. The "Companion" will contain the earliest possible reprints of the best matter in the British periodicals.

2. It will be issued every fortnight, and the form will be the same as that of the Li brary-each number containing sixteen pages—thus, every six months, giving thir-teen numbers, which can be bound with the Library at little or no hore expense, and making a better sized volume; and to those who do not take the Library itself, a volume

every year, of 410 quarte pages of the si

the present.
3. The price will be three dellars for a five dollars for two five and upwards will be supplied at two dol-

4. As the work will not be comme unless a sufficient patronage be obtained," no payment is required at present, only the name, sent free of postage. These wishing to support the publication will be pleased therefore to announce their intention as early as possible, as it is intended to commence the work on the first of January next. On the issuing of the second number payment will be expected, as its appearance will evince a sufficiency of patronage.

The proprietor of the "Select Circulating Library," fully aware from experience of the edvantages to the public of the rapid diffusion of cheap and select literature, has been induced to add the important feature to the work, and of course leaves it optional with the present subscribers and others to

non QUARTERLY, not only as an able defender of Tory principles, and the old order of things, but as the wittiest and most entertaining of Reviews, will always command the attention of the really valuable matter of the Entertaining of the literature. O other country is so rich as England in Seriews, will always command the attention of the literary and scientific.

The EDINBURGH, celebrated for the vigor, tion and postage, so trifling as scarcely to learning and acuteness which its appellant to he felt. Reviews, will always command the attention literary and amusing publications may be of the literary and scientific.

The EDINBURGH, celebrated for the vigor, learning and acuteness which its articles display, conducted by some of the principal literary men of the modern Athens, is an equality powerful champion of the moderate Reform party.

The EDINBURGH, celebrated for the vigor, to and postage, so trifling as scarcely to be felt. It will form the cheapest reprint of reviews and magazines ever attempted in any country; a comparison with others it were uncless here to enter upon, the 'Librated's requestion make immediate payment.

JOHN WOOD, Adm, yor itself being the best test by which to for ry' itself being the best test by which to judge of the diderence between an octavo and a quarto page. It will be the study of the Editor to embody a record of the day adapted to the wants of this country, which can have no competitor for value or cheapness; how far he is likely to do this he must leave at present to the decision of his readers.

of five individuals, who subscribe The numbers will be put to press immediately after they shall be received from Europe; and will contain the entire matter of the above (a very important consideration) to the most quarto form, at ONE DOLLAR per cost, derivative making from annual colleges of the containing of the c distant post office, on the two, will be one dollar and ninely-five cents, divided into seventy eight payments, and half that sum for 100 miles or a less distance from Philadelphia, while the same matter, in the usual American reprints of reviews and magaazines in octavo form would be eighteen dollars, and the postage as three to one. We make this assertion advisedly.
Subscriptions to the Companion, will

be taken either with or without the 'Libra-

The proprietor trusts that his punctuality and exactness in executing his part of the contract in the publication of the 'Library,' will be considered a sufficient guarantee of the completion of his proposed undertaking.
